TODAY'S SITE-SPECIFIC HAZARDS / CHANGES

OCCUPIED / PUBLIC INTERFACE

- Authorised access only - residents, children, visitors and pets kept outside controlled work zones.
- Maintain safe access to the home/building, exits, footpaths and essential services unless an agreed isolation is in place.
- Secure gates, ladders, tools, chemicals and plant whenever workers leave the area.

MANDATORY SITE CONTROLS

- Follow the approved SSSP/JSEA, pre-start and permit controls for the task.
- Use barriers and signage to maintain exclusion zones. Stop work if a member of the public enters a controlled zone.
- Keep the site tidy; remove debris and prevent dust, overspray, noise and falling materials affecting others.
